# Clear Skin

Prescription acne care matched to your skin — a daily routine, plus a targeted treatment.

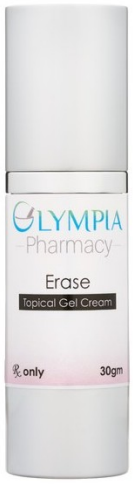
**Shipping: $23 FLAT per order — choose one product or five, shipping stays $23.**
Prescription only — quick consult with our provider first. Made for you by name, shipped to your door.

## Renew

DAILY ACNE + HYDRATION · 30G AIRLESS PUMP

Your everyday cream: may help reduce inflammation and fight bacteria linked to acne, prevent dark patches, reduce the appearance of acne scars, and lock in moisture.

| BASE | PLUS | MAX |
|---|---|---|
| $125 | $162.50 | $177.50 |



## Erase

TARGETED ACNE TREATMENT

The focused treatment for active acne: may help treat acne, prevent the growth of bacteria on the skin, and reduce inflammation — used as your provider directs.

**$125** · 30g airless pump

**Daily, or targeted?** Renew is the everyday routine. Erase is the focused treatment for active breakouts. At your consult we'll tell you which one — or which order to use them in.

# Hair Growth

Thinning or shedding? Two prescription options — a leave-in scalp spray, or a raspberry gummy.

**Shipping: $23 FLAT per order — choose one product or five, shipping stays $23.**
Prescription only — quick consult with our provider first. Made for you by name, shipped to your door.

## ManeTain

LEAVE-IN SCALP SPRAY

May help support regrowth and slow hair loss, produce thicker-looking hair, revitalize scalp circulation, and relieve itching and redness.

**$172.50** · 100ml spray

## Root Cause Gummies

HAIR GROWTH FROM THE INSIDE

Raspberry gummies that may help stimulate hair growth while reducing follicle miniaturization — plus biotin to support hair strength and keratin for hair, skin, and nails.

**$108.10** · 30 gummies — one month

**Spray, gummy — or both?** ManeTain works on the scalp; Root Cause works from the inside. Ask us which fits you — your provider will build your plan at your consult.
